An annual election shall be held on the first Wednesday in April of each year, at which there shall be elected a successor to the Commissioner whose term expires on the first Monday of the May following. He shall hold his office for three years and until his successor is elected and qualified, except as herein provided.

Sec. 5. Vacancies in Office. A vacancy shall exist when an elective officer fails to qualify within ten days after notice of his election, dies, resigns, removes from said city, absents himself therefrom for a period of one month, except on account of sickness, is convicted of a felony, becomes a habitual drunkard, or judicially declared a lunatic. Sec. 6. Distribution of Power. The Board of Commissioners shall constitute the Legislative Body, and all legislative power shall be vested in said Board of Commissioners.

They shall cause all street duty to be performed or collect the money due in lieu thereof. They shall make monthly reports which shall be substantially in the same form as the report now made by the City Treasurer to the City Clerk, and said report shall become a part of their records and shall be subject to inspection by the public at all reasonable hours. They shall create by ordinance such offices from time to time as they may deem necessary to carry out the provisions of this charter, define duties of such office, and delegate to such officer such power and authority for the execution of the duties of said office. No officer shall ever be appointed or any person employed for any definite time and their salary or compensation shall be definitely fixed at the time of their appointment or employment. The Chairman of the Board of Commissioners shall preside at all meetings of the board, but he shall not be vested with the veto power. He shall be vested with the executive and judicial power and authority of the city, subject to supervision and control by the Board of Commissioners; he shall be solely responsible to the Board of Commissioners for the efficiency of all departments. He shall make the nominations for appointment to all offices which shall be confirmed by the Board of Commissioners. If the first nomination shall not be confirmed he shall make a second and so on until a nomination is confirmed. He shall not later than the fifth (5th) day of every month make a financial statement to the Board of Commissioners which shall be in substantially the same form as is now made by the City Treasurer to the City Clerk. He shall be appointed at the first meeting of the Board of Commissioners or as soon thereafter as practical, but he shall not be appointed for any definite time, but shall tender his resignation at any time when demanded by the Board of Commissioners in writing signed by two (2) or all members of the board. He may tender his resignation at any time that he so desires. Immediately upon the tendering of his resignation, either of his own volition or when so requested by the board, the Board of Commissioners shall cause his books, records and accounts to be audited by some competent person, firm or corporation, and if found to be correct and all moneys belonging to the city that have come into his hands by reason of appointment to said office, and that he has fulfilled the obligation of his office in accordance with the provisions of this charter and ordinance governing said office, then the Board of Commissioners shall accept his resignation and in writing release him and his sureties shall be released from further obligation; provided, that if any criminal action in his administration be

discovered at any future time, he may be prosecuted under the laws of the state, and any financial loss sustained by the city may be recovered by civil action against him in any court of competent jurisdiction, but in no case shall his sureties be held liable after they have been released by the Board of Commissioners. He shall have supervision of all appointive officers.

He shall give bond unto the City of Collinsville, Oklahoma, conditioned upon the faithful, correct and impartial execution, discharge and performance of the duties of said office during his continuance in office by virtue of his appointment to said office, without fraud, deceit or oppression, and shall pay over all moneys that shall come into his hands by virtue of said office, and shall deliver unto the Board of Commissioners all moneys, deeds, records, maps, mortgages, writs, paper and property of every character belonging to his office at the expiration of his term of office. Sec. 8. Claims. All claims against the city must be presented in writing with a full account of the items, and verified by the oath or affirmation of the claimant, or his agent, that the

same is correct, reasonable and just, and no claim or demand shall be audited or allowed, unless presented and verified, as provided for in this section; provided, no costs shall be recovered against the city in any action brought against it, for any unliquidated claim, which has not been presented to the Board of Commissioners to be audited, nor upon claims allowed in part unless the recovery shall be for a greater sum than the amount allowed with the interest due. Provided, further, that no action shall be maintained against the city, in exercising or failing to exercise, any corporate power or authority in any case where such action would not lie against a private individual under like circumstances.

Sec. 9. Oath and Bonds. Each Commissioner shall qualify before entering upon the discharge of the duties of his office by taking the oath of office required by law and entering into a good and sufficient bond in the sum of \$5,000 to be executed by some solvent Surety Company, the premium to be paid by the city, for the faithful discharge of the duties of his office; such bond to be approved by the Judge of the County Court of Rogers County, Oklahoma, and when so approved, to be deposited in the office of the Clerk of said County Court. All officers, agents and employees of the city, except the Commissioners and Business Manager, shall enter into such bond as may be required by the Board of Commissioners, and such bonds shall be approved by them and be kept as a part of the records of their office.

Sec. 2. Employees and Laborers. The Board of Commissioners may from time to time employ such common or skilled labor as they deem necessary and prescribe their respective duties and fix their compensation, or they may authorize the employment of such laborers by the Business Manager, but in all cases the compensation shall be first fixed by the Board of Commissioners, except in case of an emergency, in which event the Business Manager shall employ such laborers and at such rate as he deems the exigencies of the case may demand.

Any merchant failing to comply with this requirement shall be liable to such fine as may be imposed by ordinance.

Sec. 7. If the Assessor of Taxes shall discover any real or personal property which was subject to taxation for any previous year, and which from any cause has escaped taxation for that year, he shall assess the same in a supplement to his next assessment roll at the same rate under which such property should have been assessed for such year, stating the year, and the taxes thereon shall be collected the same as other assessments: Provided, that such supplement roll may be made at any time and reported to the Board of Com-

missioners for its approval, and any number of such rolls may be made that may be necessary. The taxes assessed in such supplement rolls for years previous to the approval of such rolls by the Board of Commissioners, and such taxes may bear interest at the rate of six per cent. per annum from date on which the same would have been delinquent if levied and assessed, and if the same shall not be paid within thirty days after the date of such approval the Board of Commissioners shall proceed to collect the same by advertisement and by sale of such property as soon as practicable; such advertisement and sale to be made in the same manner, and for the same time as in cases of the sale of such property for other ad Valorem taxes, as prescribed by the city charter: Provided, that a misnomer of, or failure to name the owner in the assessment roll shall not affect the validity of the assessment of any taxes; and, provided further, that when such taxes have not been attempted to be assessed for such previous year, such taxes shall bear interest only from the date of approval of the supplement rolls. The Assessor of Taxes may in any year reassess property, which, because of irregularity in the assessment, of any previous year may have been improperly assessed; such reassessment shall be at the value at which it should have been assessed in any such year, and property owners of such property shall take notice of such reassessment, if made prior to the first of April in any year, but if made after such date, notice shall be given by the Assessor and Collector of Taxes as in case of the raising of an assessment. Any property owner whose property has been reassessed may appeal to the Board of Commissioners as in case of an original assessment.

Sec. 8. The Assessor of Taxes shall assess all property which for any cause has not been rendered, placing such valuation thereon as he may deem just. If the owners of such property are un-

known, such assessment may be made in the name "unknown."

Sec. 9. No irregularity in the time or manner of making or returning the city assessment rolls or the approval of such rolls shall invalidate any assessment.

Sec. 10. All property, real and personal, shall be rendered for taxation by the owner thereof or his agent as provided by the laws of the State for the rendition of property for assessment by the county: Provided, however, that in making such renditions the owner or agent shall not be required to state the value of the real property, but shall furnish to the assessor, verified by the oath of the party making such rendition, a full and complete list and schedule of all property, real and personal, belonging to the person, firm or corporation in whose name such property is rendered. It shall be the duty of the assessor to value each and every item of the property so rendered in accordance with the fair cash value estimated at the price it would bring at a fair voluntary sale to be applied alike to all tax-payers, and to transmit to the Board of Commissioners all renditions thus made, together with a statement by him, verified by his oath, to the effect that he has truly, fairly and equally valued all such property. The Board of Commissioners, sitting as a board of equalization and appeals, shall revise the tax rolls, and it shall be their duty to correct all unequal assessments, and to increase or reduce the valuation fixed by the assessor as the case may require, so as to equalize the basis and method of assessment adopted for all such renditions. It shall also be their duty to hear and fairly determine all appeals from property assessments fixed by them or under their authority. It shall be the duty of the Board of Commissioners to adopt such rules and regulations from time to time as to them may appear necessary to secure complete renditions for assessments of

all taxable property in the city.

The Board of Commissioners shall cause to be prepared, as soon as practicable, an alphabetical list of the taxpayers of the city, together with the total amount of property assessed against each which list shall be preserved in the office of the Business Manager and shall be accessible to the public.

Sec. 11. A lien is hereby created on all property, personal and real, in favor of the City of Collinsville, for all taxes, ad valorem, occupation or otherwise. Said lien shall exist from August first each year until the taxes are paid. Such lien shall be prior to all other claims, and no gift, sale, assignment or transfer of any kind, or judicial writ of any kind, can ever defeat such lien, but the Business Manager shall pursue such property, and whenever found may seize and sell enough thereof to satisfy such taxes.

Sec. 12. If anyone against whom a personal tax is assessed, and which is due and unpaid, whether the same be delinquent or not, shall have removed out of the city, or shall be about to remove out of the city, or shall have removed or about to remove his personal property out of the city, it shall be the duty of the Business Manager to proceed at once and collect such taxes by seizure and sale of any personal property of such person to be found in the City of Collinsville or anywhere in the State of Oklahoma.

Sec. 13. All taxes shall be payable at the office of the Business Manager or City Assessor and Collector of Taxes, and the Board of Commissioners shall have full power to sell or cause to be sold, all personal and real property for taxes due, and shall make all rules and regulations necessary for such purpose.

Sec. 14. No demand for taxes shall be necessary, but it is hereby made the duty of every person or corporation subject to taxation to attend at the office of the Business Manager some

time between the first day of August and the first day of November in each year and pay his or her taxes. If any taxpayer shall fail to pay such taxes before the first day of November after the same shall become due, the same shall be delinquent and bear interest at the rate of six per cent. per annum. Upon all taxes paid or collected after the first day of November the Business Manager shall collect from the delinquent taxpayer a penalty of two per cent. of the total amount of taxes collected or paid by such taxpayer. On all taxes paid or collected after the first day of December next following the time when such taxes shall have become due, the Business Manager shall collect a penalty of four per cent. on the total amount of taxes paid or collected. On all taxes paid or collected after the first day of January next following the date on which such taxes shall have become due, the Business Manager shall collect a penalty of six per cent. on the total amount of taxes paid or collected. On all taxes paid or collected after the first day of February next following the time at which such taxes shall have become due, the Business Manager shall collect a penalty of ten per cent. on the total amount of taxes paid or collected, which penalty shall be cumulative of and in addition to the interest provided for by this section and such penalties shall be an obligation of the taxpayer, and be secured by the same lien and collected in the same manner as the taxes.

Sec. 15. The Business Manager shall, by virtue of his tax rolls, have power and authority to seize and levy upon personal property and real estate and sell the same to satisfy delinquent taxes. When he seizes personal property for such purposes he shall keep the same at the expense of the owner until the sale is made, and shall give notice of the time and place of sale of same by posting a written notice at the City hall door, at least ten days before the

date of sale. He shall sell the same conveyed was advertised according to law to the highest bidder for cash for all taxes, interest, cost and expense of carrying for said property, and shall make an entry in the books of sales of the amount realized; all such sales shall be made at any door of the City Hall specified by ordinance.

Sec. 16. Before sales of real estate are made, notice of the time and place of sale, together with, as near as may be, a description of the property shall be given by posting one notice at the City Hall in the City of Collinsville, also by publication in some newspaper of the city, for at least three weeks, and shall be published not more than twice in any one week which shall contain a statement of the amount due on each particular piece of ground; all such sales shall be made at any door of the City Hall, specified by ordinance.

Sec. 17. The Board of Commissioners shall have full power to do, or cause to be done, everything whatsoever necessary to enforce a prompt and valid assessment and collection of all taxes and assessments provided for in this charter, and to make all regulations necessary for a valid assessment of such taxes and for the sale of property for said taxes and assessment.

Sec. 18. The Business Manager shall, where any real estate has been sold for taxes, make and execute a deed to the purchaser for the property sold, which deed shall be prima facie evidence of the following facts:

First. That the lot or lots, or property conveyed, was or were subject to taxation and assessment at the time of such sale, and at the time taxes thereon were levied and assessed, and that such taxes were regularly levied and assessed in all respects according to law.

Second. That such taxes were not paid in whole or in part at any time before such sale and that a lien existed on the property conveyed in such deed for taxes.

Third. That the real estate therein

Fourth. That the property conveyed was advertised according to law, was regularly and lawfully sold for taxes which were delinquent at the time of the advertisement and sale.

Fifth. When such property shall have been sold to the City of Collinsville or any other purchaser, at such sale, either for general or special taxes, the title acquired by the city, or such purchaser shall not be disputed by any person whomsoever, or for any cause whatever, except upon tender to said city, or purchaser, of the taxes lawfully due on such property for which such sale was made, together with lawful interest thereon, and all accrued penalties and costs, as provided by the city charter of the City of Collinsville.

Sec. 19. A sale of personal property for delinquent taxes shall convey with it an absolute title and the owner shall have no right to redeem the same.

Sec. 20. The city shall have the right to become a purchaser of property at tax sales, and the chairman of the Board of Commissioners shall attend such sales for such purpose, and may empower any person to so bid on behalf of the city.

Sec. 21. Whenever any real property is bid off to the city, or to any individual for delinquent taxes, the owner or attorney, or his agents may redeem the same at any time within two years from day of sale by paying the following amounts:

All taxes paid or due, ten per cent per annum interest thereon from the time they became delinquent, and two and one-half (\$2.50) dollars as costs on each piece of property sold, and as a further penalty, a sum equal to twenty-five per cent. of the amount of the delinquent tax, if redeemed in three months; fifty per cent penalty if redeemed in six months, seventy-five per cent. penalty if redeemed in one year, and one hundred per cent. if redeemed

thereafter within two years, the said penalties to go to the purchaser at tax sales, whether the purchaser be the city or an individual.

Sec. 22. All levies of ad valorem taxes heretofore made by the City of Collinsville, and all assessments heretofore made, and assessment rolls heretofore placed in the hands of the City Collector of Taxes for collection are hereby validated and the same shall be legal and binding, regardless of any irregularity that may exist in the manner of making such levies, and the making and returning of such assessment rolls. This provision shall apply to all suits and actions now pending, as well as those hereafter prosecuted.

Sec. 23. In any suit by the City of Collinsville for the collection of any delinquent tax where it shall appear that the description of any property in the city assessment rolls shall be insufficient to identify such property the city shall have the right to set up in its pleadings a good description of the property intended to be assessed and to prove the same, and to have its judgment foreclosing its tax lien upon the same and personal judgment against the owner for such taxes, the same as if such property were fully described upon the assessment rolls.

Sec. 24. When the owner of the property or his agent shall render any property to the assessor for assessment and such property is assessed in accordance with the description furnished by such owner or his agent, the sufficiency of such description shall not be disputed by such owner in any action or suit for the collection of such taxes; but the same shall be binding upon such owner, and shall be sufficient for all purposes of such assessment.

Sec. 25. The provisions herein for the collection of taxes shall not be construed to prevent the city from filing suit in any court of competent jurisdiction for the collection of any taxes due on real estate, as well as personal

property, and for the enforcement of levies for such taxes; and the assessment rolls shall be prima facie evidence of the facts stated in said rolls and that all taxes assessed on such rolls have been regularly levied and assessed in accordance with the provisions of this charter and of the law; and no irregularity in the manner of levying or assessing taxes shall invalidate the same unless it appears from affirmative proof that such irregularity operated injuriously to the taxpayer attempting to avoid the payment of such tax. Nothing in this section shall prevent the Board of Commissioners from hearing all complaints as to erroneous and unjust assessments, and said Board of Commissioners is hereby empowered and it is hereby made their duty to hear such complaints, and said board shall have power within one year after this act goes into effect, and not thereafter to readjust, compromise and settle all disputes with reference to the legality of validity of taxes claimed to be due by any person or persons upon any real estate within the city. They may reduce former assessments on satisfactory proof that the same was excessive; such settlement when certified to by the Board of Commissioners to be filed with the Business Manager, who shall accept payment of taxes in accordance therewith and thereafter a tax receipt for the amount of said taxes in full for all such years as aforesaid shall be accepted in full satisfaction for said taxes.

Upon the filing of such statement, it shall be the duty of such judge, in term time or vacation, to appoint three disinterested freeholders and qualified voters of the City of Collinsville as special commissioners to assess the damages to accrue to the owners by reason of such condemnation. The special commissioners so appointed, shall, in their proceedings, be governed and controlled by the State laws in force in reference to the condemnation or right of way for railroad companies, and the assessment of damages therefor, the City of Collinsville occupying the position of the railroad company. In estimating the damages to such property the jury shall not only estimate the value of the land so taken but shall also estimate the damage done to the remainder of any land from which it is taken by reason of such taking and use: Provided, however, that in case of the condemnation of land for the opening, extending or widening of any street, or for straightening or improving the channel of any stream, branch or drain within the corporate limits of said city, the Board of Commissioners may, by ordinance, provide that the cost of such property

shall be paid by the property owners owning property in the immediate vicinity thereof and benefited thereby. In such cases the City Engineer, or other person designated by the Board of Commissioners shall, under the direction of the special commissioners appointed, make a plat of the property which in the judgment of said special commissioners will be specifically benefited and enhanced in value by the making of such improvement, whereupon such special commissioners shall issue notice to the owners of such property to appear before them at a time and place to be designated in such notices to show cause, if any they have, why such property should not be assessed to pay the cost of the property so condemned. subdivision of the land in the immediate vicinity thereof specially benefited and enhanced in value by the making of such improvement, and shall report all said matters to the Board of Commissioners of the City of Collinsville, showing a description of the property taken and condemned and the name of the owner thereof, if known, and if the owner of any such property is unknown, shall state said fact, or if there be more than one owner of such property, then the description of the property of each said owner, if known, and if unknown, shall state such fact and the value of the property of each such owner so condemned, and also the description and name of the owner of each subdivision of property if known, and, if unknown, shall so state, describing such property so as to identify it against which special assessment should in the judgment of said board, be made to pay for such property condemned, such apportionment shall be made according to the benefits that will, in the judgment of said special commissioners, be received by or accrue to such lot or subdivision of property by reason of the making of such improvements, and such report shall be filed with the Business Manager for the consideration of the Board of Commissioners. The Board of Commissioners shall, as soon as practicable after the filing of such report, consider the same, and if the same is approved by a majority vote of the members present at the meeting at which it considers the same, the same shall be final and binding upon the city and all parties at interest therein. If the Board of Commissioners shall approve said report, it shall levy a special tax against the property shown by said report to be benefited and enhanced in value by such improvement, according to the recommendation made in such report; such taxes shall be a lien on the property against which the same shall be assessed, from the date of such levy, and shall become due and delinquent at the

times provided in the ordinance levying the same. If the same shall not be paid as provided in such ordinance, the Board of Commissioners shall proceed to collect same, as provided in the ordinance, levying same by the advertisement and sale as provided in the city charter in cases of the sale of such property for delinquent ad valorem taxes: Provided, that it shall not be necessary to make such sales at the same time as provided for in the sale of property for delinquent ad valorem taxes. The special commissioners appointed under the provisions of this section shall have the same power to issue writs and subpoenas and compel the attendance of witnesses, etc., as commissioners appointed for the condemnation of land, etc., for the right of way of railroads under the general laws of the State of Oklahoma; shall receive the same compensation for their services and shall be governed in all respects not herein otherwise provided by general laws in all matters relating to their procedure. The compensation for the land and property taken or damaged under the provisions of this section shall be paid to the owner of such property so taken or damaged, or secured by a deposit set apart in money in the hands of the City Treasurer, subject to the order of such owner, before such property is taken or damaged: Provided, the city may make such payment out of the general fund, if the Board of Commissioners shall deem it advisable, and when the amounts assessed against the property specially benefited as is herein provided are collected, may repay to the said general fund the amount so advanced, and such payment shall not be a waiver of the city's rights to make such collection.

Sec. 4. The Board of Commissioners shall have power to cause telegraph, telephone and electric light companies to change the location of their poles; also to cause all erected poles not in use to be taken down and removed. If such

companies shall fail to do such things after being notified the city may have the same done at the expense of such companies. The Board of Commissioners shall also have the power to require telegraph, telephone companies and electric light companies to run their wires under the ground, if, in the wisdom of the board, public interest should so demand.

Sec. 5. Any person, firm or corporation holding any franchise heretofore or hereafter granted by the city, authorizing the use or occupation for any purpose of any street, avenue or alley in the city, or any portion thereof, and requiring or binding the person, firm or corporation holding such franchise to keep any portion of such street, avenue or alley so used or occupied, or the pavement thereof in repair, or to maintain the same in condition for public travel; or any person, firm or corporation who, under any contract heretofore or hereafter made with the city for the construction, reconstruction or repair of the pavement or other improvement of any avenue, street, or alley, or any portion thereof, shall be or is bound to keep the same in repair or in good condition for public travel, or to do or to perform any duty relating to the maintenance or repair of such pavement or other improvement, for any term of years mentioned in such contract, who shall be served with a written notice signed by any owner or owners of property abutting such street, avenue or alley, or such portion thereof, such notice to be served by delivering in person or by mailing same by registered mail to such person, firm or corporation, or any officer or agent thereof, at the post-office address of his residence, and who shall fail or refuse to repair or place in condition for travel according to the terms or requirements of such franchise or contract, the portion of such avenue, street or alley mentioned in such notice which such person, firm or corporation is bound to repair or maintain, within

ninety days after date of the service of such notice, shall forfeit to the city the sum of fifty dollars for each day after the expiration of said ninety days until said avenue, street or alley or portion thereof mentioned in said notice, and which such person, firm or corporation is bound to repair or maintain, is repaired and put in good condition for public travel, as required by the terms of such franchise or contract, or until the requirements and terms of such contract are complied with, such sum or sums to be recoverable at the suit of the city or at the suit of any owner of property abutting on said avenue, street or alley, or portion thereof, to the use of the city, in any court of competent jurisdiction. The penalty herein provided shall be in addition to and cumulative of any other penalty, condition or requirement contained in such franchise or contract. In any suit brought under this section any judgment therein recovered may be made a lien upon any sum held by or deposited with the city, or in trust, to guarantee or secure the performance of the conditions of any such franchise or contract.

Sec. 6. Whenever any franchise to any person, firm or corporation has heretofore been made, or shall hereafter be made or granted by the Board of Commissioners for the use of any street of the city for the purpose or for the exercise of any public privilege or advantage, and the said grant has been or shall hereafter be made upon any conditions named in said grant or things to be performed by the said grantee, and such grant shall contain no condition of forfeiture, yet the breach of any condition so named in any such grant, or any failure on the part of said grantee to promptly pay any tax whatever assessed by the city, shall be or cause a forfeiture of the said franchise or privilege so granted, as if expressly stipulated for therein, and whenever any such grant has been or shall hereafter be made in consideration of the pay-

ment of any bonus, the said payment shall be secured by a prior lien on all property of said grantee, within the city, whether expressly stipulated for or not, and any failure to properly pay such bonus according to the terms of the grant, or any failure to pay any tax of any kind, shall be a cause of forfeiture of the franchise or privilege granted, whether such forfeiture be expressly provided for or not.

Article XVI.

Upon the passage of such resolution it shall be the duty of the City Engineer or other person designated by the Board of Commissioners to forthwith prepare specifications for such improvement, which specifications

shall embrace the different materials or different plans or methods, under which said improvements or part thereof are to be constructed or paid for, if such different materials or alternative plans or methods of construction or payment are specified in such resolution; and such specifications shall also describe the character of bond or bonds required of the successful bidder for the construction of such improvement and the maintenance thereafter, as herein provided. When such specifications have been prepared they shall be submitted to the Board of Commissioners for its approval. The board shall have power to require of the contractor or contractors to whom the work may be let, a bond for the faithful performance of the contract and the maintenance of the work in good condition at the cost of the contractor for a term not less than five years from the completion thereof, and for the maintenance thereof by the contractor. Sec. 3. The Board of Commissioners is hereby empowered to establish and change the grade of all streets, avenues, alleys, or other public places in the city, or part or section thereof, whenever in their judgment, the public convenience may require such change of grade: Provided, that no material change of the permanent established grade shall be made without making due compensation to the owners of abutting property having permanent improvements erected thereon, with reference to the previous legally established grade, and the Board of Commissioners shall prescribe, by ordinance, the method of ascertaining the compensation due to any such property owner whose property is affected by such material change of street grade, and the city shall pay to such owner such compensation so ascertained.

Sec. 4. The costs of grading, paving, curbing and guttering any street, avenue or alley may be paid in part by the city or in part by the owners of property benefited by such improvement and abutting upon the property, street or alley or portion thereof ordered to be improved, and any resolution or ordinance passed and adopted by the Board of Commissioners declaring the necessity for such construction shall provide what proportionate part, if any, of the costs of such improvement shall be paid by the city, and the proportion of the costs that shall be borne by the owners of property abutting on such street, or alley or part of street or alley so ordered to be made: Provided, that when any person, firm or corporation owns any railroad or street railroad or railroad switch of any kind on such street or alley or portion thereof ordered to be improved, such person, firm or corporation shall pay the whole costs of such improvement between the rails and tracks, and for two feet on each side of the rails of such railroad or street railroad, and the city and abutting property owners shall be relieved of the

part of the costs to be paid by such road. The prorata share of the cost of such improvement payable under the terms hereof by any railroad or street railroad or the owners thereof, together with all costs of collecting the same, shall be a special tax against, and secured by a lien upon the roadbed, ties, rails, fixtures, rights and franchises of such railroad or street railroad and the owners thereof, and whenever a contract shall be let for any such improvement the Board of Commissioners shall levy a special tax upon the railroad, ties, rails, fixtures, rights and franchises of such railroad or street railroad, for the pro rata share due from such road, for improvement between their tracks and rails and two feet on each side thereof. Said tax shall be levied at or after the time such contract is let or executed and shall become due and delinquent as the ordinance levying the same may specify, and shall be a lien from the time of levying and the proceeds thereof shall be used for the payment of the costs of such improvement. If said taxes be not paid as provided for by ordinance, then collection shall be enforced as the collection of other taxes by advertisement and sale of the property, rights and franchises levied upon: Provided, it shall not be necessary to sell at the same time as for delinquent ad valorem taxes. At any such sale the City Tax Collector or such other officer as shall be designated by the board shall execute to the purchaser a deed similar to the one executed when the property is sold for ad valorem taxes. Such assessment and lien may also be enforced by suit brought in any court having jurisdiction thereof. The lien provided for shall be a first and prior lien paramount to all encumbrances except taxes, upon the roadbed, ties, rails, fixtures, rights and franchises of the person, firm or corporation or company owning the railroad or street railroad aforesaid.

Such advertisement shall be inserted not less than two consecutive times in a newspaper of general circulation in the City of Collinsville and shall state the time within which bids may be received as prescribed by the board, which shall be not less than ten days nor more than thirty days from the first insertion of said advertisement. Bids shall be filed with the Business Manager or such other officer as the board shall designate and shall be opened and read in public meeting of the Board of Commissioners. The board shall have the right to accept such bids as it shall deem most advantageous to the city and the owners of the property abutting on the public street or alley named, to be improved, or may reject any and all bids; and where any improvement is ordered on different specifications, and for the construction of work or part thereof, with different material, and under different plans or methods of construction, or payment for such improvements, the board shall have full power after opening bids, to select such methods, plans or materials for making such improvements or any part thereof, as it may deem best and to let the work to such bidder and upon such bid as it may select, subject to the

terms thereof. No bid shall be amended, revised or changed after being filed. All bids shall be accompanied by a certified check for five per cent. of the amount of such bid as a forfeit, in case of failure of the bidder or bidders, if successful in securing the work did for, to enter into a contract and bond as required by this charter, for the performance of such work. When bids for such improvements have been accepted by the board the city shall enter into contract with the contractor or contractors, to whom the work has been let, for the performance thereof, which contract shall be executed in the name of the chairman of the Board of Commissioners of the city, and attested by one member of the Board of Commissioners, with the corporate seal. The board shall also have power to provide that the proportion of the said costs which may be assessed against the said owners and their property shall bear interest at a definite rate, not to exceed seven per cent. per annum, when the payment thereof is deferred, and shall have the

power to include in any assessment which may be made against such owners and their property, reasonable costs of collection, where such costs are incurred, and reasonable attorney's fees, where attorney's fees are incurred.

When such statement has been examined and approved by the board and it shall have determined to assess the costs of such improvements against such property, it shall so declare by resolution, directing notices thereof to be given to the owners aforesaid by publication for five consecutive days in a daily newspaper or twice in any other paper of general circulation in the City of Collinsville, and also to mail to such owners a copy of such notice by registered letter deposited in the postoffice

The certificate of the Business Manager or such other officer as shall be designated by the board to the effect that the address of such owner or owners or their agent or attorney is unknown to him; and personal service cannot be had upon them, shall be deemed conclusive of such fact. The notice aforesaid shall state the time of the hearing hereinafter provided for, the general character of the improvements determined upon by the board, the street or part thereof to be improved and the proportionate part and amount per front foot of the total cost of the proposed improvement, which it is contemplated shall be assessed against the property and the owners thereof abutting upon such street or alley to be improved. On the date, stated in the notice aforesaid or any time thereafter, before any special assessment is actually levied, any person, firm or corporation, interested in any property which is claimed to be subject to assessment for the purpose of paying the cost of any improvement, in whole or in part, shall be entitled to a full and fair hearing before said board as to all matters affecting such property, or the benefit thereto, of such improvements or any claim of liability or objection to the making of such improve-

ments of any invalidity or irregularity in any of the proceedings in reference to making such improvements or any other objection thereto. Such person, firm or corporation shall file their objections in writing and thereafter the Board of Commissioners shall hear and determine the same, and full opportunity shall be given to the persons, firms or corporations filing such objections to produce evidence, subpoena witnesses and to appear in person or by attorney and a full and fair hearing thereof shall be given by the said board, which hearing may be adjourned from time to time, without further notice and the Board of Commissioners shall have full power to inquire into and determine the facts necessary to the adjudication of such objects and the ascertainment of special benefits to which such owners by means of such improvements and shall make such order in each case as may be just and proper. The time as set for such hearing shall be not less than ten days from the time of the first publication of such notice. When the hearing above mentioned has been concluded the board shall, by ordinance, assess against the several owners of property, and against their property abutting upon the public street or alley or part thereof ordered to be improved, such proportionate part of the costs of said improvement as by such board may have been adjudged against such respective owners and their property. Said ordinance shall fix a lien upon such property for the respective amount to be assessed, and shall state the time and manner of payment of such assessment, and said board may order that the said assessment shall be payable in installments, and pre-

scribe the amount, time and manner of payment of such installment, which however, except as hereinafter provided, shall not exceed ten years, and the payments shall not be deferred beyond ten years from the completion of said improvement, and its acceptance by the city. The said ordinance shall also prescribe the rate of interest to be charged upon deferred payments, not exceeding seven per cent. per annum and may provide for the maturity of all deferred payments, and their collection, upon default in the payment of any installment of principal or interest. Each property owner, his heirs, assigns or successors, however, shall have the privilege of discharging the whole amount assessed against him or any installment thereof, at any time before maturity, upon payment thereof with accrued interest. Upon the payment by any property owner of his assessment in full, the city shall cause to be executed by its Business Manager and duly acknowledged for record a release of the lien of such assessment.

Sec. 8. When the board shall have reason to believe that the owner or owners of any property may successfully claim the same as exempt from special assessment, it may order that the improvement shall not be made in front of, or abutting on such property, unless the owner or owners shall first make a satisfactory provision for the payment of the amount of the cost which would be assessed against such property, except for such exemption, and such contractor shall not be obliged to make such improvement in front of any property which is exempt from the enforcement of a lien for such improvement, but may omit the construction thereof in front of such property. Subject to the provisions hereof the board may, when deemed just and proper, order improvement to be made on only one side of the public street or alley or section or portion thereof, and may assess the cost of, or a portion thereof,

against the property and the owner of such property abutting on such side of such street or alley or section or portion thereof.

Sec. 9. Whenever any error or mistake shall occur in any proceedings, provided for in this charter, it shall be the duty of the board to correct the same, and whenever it shall have been finally determined in any suit that any assessment against any property or its owner or lien against such property fixed or attempted to be fixed under the terms hereof, is, for any reason, invalid, unlawful, or not enforceable, then it shall be the duty of the board to at once proceed to reassess against such property such proportion of the costs of making such improvements as shall be proper, lawful and just and fix a lien against such property; and such board shall have power, and it shall be its duty, by ordinance or resolution, to adopt such rules and regulations, and to make such orders as shall, in compliance with the law, provide for correcting such mistakes and making a valid reassessment against such property and fix a valid lien thereon; said board shall have power and it shall be its duty to adopt such rules and regulations for a hearing to the owners of such property before such reassessment which may be necessary or proper, in order to legally bind such owners and their property, by such reassessment; and shall have power to adopt all other rules and regulations which may be requisite to a valid reassessment of such property. Subject to the provisions of this charter, the cost of any such improvement or improvements, after deducting the proportion of such costs as may be assessed against any railroad or street railroad, and the proportion of said costs which may have been finally assessed against property abutting upon the street or alley or section or portion thereof, ordered to be improved and against the owners of

such property, shall be borne and paid by the city.

Sec. 10. In addition to the power hereby conferred upon the board, by majority vote, to order the construction of any street improvement or improvements as herein defined, and to assess the costs thereof in whole or in part against the abutting property; whenever the owners of two-thirds of the front feet of property abutting upon any street, avenue or alley, or section or part thereof, shall in writing petition for the improvement thereof, and shall in such petition agree to pay three-fourths of the cost of such improvements in front of their respective property and of improving intersections of streets and alleys, exclusive of such cost as is payable under the terms hereof, by railroads or street railroads, shall generally designate the nature of the proposed improvements, and the said board shall order the construction of such improvements; provided, only, that before a resolution ordering the said improvement shall be passed by the board it shall be satisfied from the said petition or other evidence as shall be submitted to it, that, exclusive of the costs of said railroad or street railroad at least three-fourths of the whole cost of said improvement can be secured by a valid assessment against property abutting upon the street, or alley, or section, or part thereof, to be improved, or will otherwise be satisfactorily secured. If such petition shall specify any particular kind of material or pavement desired, then the work shall be ordered constructed with that material or pavement only, and bids taken accordingly; provided, that in such case the petition may stipulate the maximum cost per front foot, cubic or square yard at which the work shall be let, and no contract shall be let at a greater cost than is thus stipulated. Where improvements are ordered to be made upon such petition as provided for in this section the method of proceeding

in reference thereto, and with reference to assessing the cost thereof against abutting property shall subject to the provisions of this section, be in accordance with the terms and provisions of this article. Where improvements are to be made upon such petition as is provided for in this section the work shall not actually be begun until three-fourths of the cost of said improvement, exclusive of the part of the costs to be paid by any railroad or street railroad, shall have been assessed against the property abutting upon the public street, avenue or alley, or section or part thereof, to be improved, in the manner hereinbefore provided in this section; provided, however, that no assessment shall be made, except after the hearing hereinbefore provided, and the costs of such improvement shall be apportioned between the various abutting property owners according to the frontage of their property upon such street, avenue or alley, or section or part thereof, to be improved; provided, that whenever, after such assessment the board shall be of the opinion that an assessment against any property and the lien thereby "fixed" can not be enforced on account of exemption of such property, the board may direct that such improvement shall not be made in front of such property, or may require the owner of such property to pay or secure the payment of the pro rata amount of such costs assessed against such property before such improvements shall be made in front of the same.

Sec. 11. When any of the public improvements provided for in this article are ordered to be made, the cost, or part thereof, which may be assessed against abutting property and against railroads and street railroads, as herein provided, and such cost so apportioned and assessed against the abutting property as provided for by this charter, and the lien as established and fixed by the Board of Commissioners in favor of the contractor as herein provided

for, such abutting property shall be held liable for the payment of such costs so assessed against it, and the city shall not be responsible or liable for any part of such costs so assessed and taxed against such abutting property, and shall not be liable for any part or portion of the costs of any street improvement, except when the city, through the board, shall have obligated itself to pay a part of such costs and provided in this charter; the lien provided for herein to be fixed by the board against the respective owners, and their property abutting upon any street, avenue or alley, or section or part thereof, may be evidenced by assignable certificates or tax bills against abutting property, railroad or street railroad, to be issued to the contractor by the City of Collinsville, and the board shall prescribe the form and terms of such certificate. The recital in such certificates that the proceedings with reference to making such improvements have been regularly had in compliance with the terms hereof, and that all prerequisites to the fixing of the lien and claim, evidenced by such certificate have been performed, shall be prima facie evidence of the facts so recited, and no other proof thereof shall be required, but in all courts the said proceedings and prerequisites shall, without further proof, be presumed to have been had or performed. Such certificates shall be executed by the Business Manager and attested by one member of the Board of Commissioners, or such other officer as shall be designated by the board with the corporate seal. The passage by the board of an ordinance finally assessing against any property the cost or part thereof, or in making and fixing a lien upon such property shall operate as notice of such assessment, and lien against all creditors of the owners of such property and the purchaser thereof and the lien thereby fixed, without further record or proceeding be effective against

all such creditors or persons.

Sec. 12. The city shall have power to borrow money on its credit and the Board of Commissioners may, by ordinance, authorize the issuance by the city of its negotiable coupon bonds for the purpose of paying the city's part of any such permanent street improvements as embraced in the terms of this article. Such bonds to be within the limits of indebtedness prescribed by the constitution and this charter. Such bonds shall bear interest at the rate of not more than five per cent. per annum, payable in semi-annual installments, and the principal thereof shall be payable in not more than twenty years from their date. Such bonds shall be authorized and executed in accordance with the terms of this charter with reference to the issuance of other bonds; provided, that no such bonds shall be issued unless the question of such issue shall first be submitted to a vote of the qualified tax-paying voters, and the same shall be approved at such election in accordance with the provisions of the constitution and of this charter, and the Board of Commissioners shall provide in any resolution or ordinance authorizing such bond issue, for the levying of an annual tax sufficient to meet the accrued interest, and provide a sinking fund for the payment and retirement of such bonds, and the bonds provided for in this article shall be sold by the city for not less than par. Such bonds shall not be sold by the city until registered and approved in accordance with the requirements for other bond issues by the city.

All contracts heretofore entered into by the City of Collinsville, or which may hereafter be entered into by the city, and before the provisions of this charter become effective, and all ordinances made in relation to such contracts shall be given full force and effect under the laws and ordinances in force at the date of the mak-

ing of such contracts, and such improvements shall be carried forward and completed in accordance with such laws and ordinances, and that all costs of such improvements shall be assessed by the Board of Commissioners against the abutting property owners and other persons, firms, or corporations made liable for the payment of such costs under and in accordance with the provisions of the laws and ordinances then in force. The Board of Commissioners created and authorized by this charter are hereby authorized and directed, and it is hereby made their duty to do and perform or cause to be done or performed, all things which, by such existing laws and ordinances of such city, the city council of such city and the officers thereof acting thereunder are now authorized or permitted to do, in order to carry into effect the terms of such contract, and to assess the costs of improvements against such property, and to provide for the collection of such assessment, and to provide for the issuance of assignable certificates therefor and to do and perform any other act or thing which may be necessary under the said existing laws and ordinances of said city, to give effect to said contracts and to provide for the enforcement thereof. The fact that more than one parcel or lot of land, the property of the owner or jointly owned by two or more persons, firms or corporations having been assessed together in one assessment shall not invalidate the same, or the lien thereof. The costs of any such improvements assessed against any property, together with all costs and reasonable expenses in collecting the same, including reasonable attorney's fees when incurred, shall be secured by a lien upon such property superior to all other liens, claims or title, except city, county and state taxes, and such lien may be enforced either by suit in any court of competent jurisdiction or by sale in the same manner as far as applicable, as sales

are authorized to be made by the City of Collinsville for the non-payment of taxes; provided, that it shall not be necessary to sell at the same time as for delinquent ad valorem taxes, and the board may, by resolution, or ordinance, make such rules and regulations, not inconsistent with the charter, as it may deem necessary to provide for the speedy collection of such assessment for improvements. Any error or omission in selling property or designating the names of owners or any other error or omission may be corrected at any time by the board or at the suit of any interested party. In any suit brought under the provisions of this section it shall be proper to join as defendants two or more property owners who are interested in any single improvement or any single contract for such improvement.

Sec. 14. At any time within ten days after hearing, as provided herein, any person or persons, corporation or corporations, having an interest in any real estate which may be subject to assessment under this charter, or otherwise, having any financial interest in such improvement or improvements, or in the manner in which the cost thereof is to be paid, who may desire to contest on any ground the validity of any proceeding that may have been had with reference to the making of such improvements, or the validity in whole or in part, of any assessment lien fixed by said proceedings, may institute suit for that purpose in any court of competent jurisdiction. Any person or persons, corporation or corporations, who shall fail to institute such suit within a period of ten days, or who shall fail to diligently prosecute such suit in good faith to final judgment, shall be forever barred from making any such contest or contests, and this estoppel shall bind their heirs, successors, administrators and assigns. The City of Collinsville, or the person or persons to whom the contract has been

awarded shall be made defendants in such suit, and any other proper parties may be joined therein. There shall be attached to plaintiff's petition an affidavit of the truth of the matter therein alleged, except such matters as are alleged on information and belief, and that such suit is brought in good faith, and not to injure or delay the city or contractor, or any owner of real estate abutting on the improvement. Unless the provisions of this section are complied with by plaintiff or plaintiffs, such suit shall be dismissed on motion of any defendant, and in that event plaintiff or plaintiffs shall be barred and estopped to the same extent as if suit had not been brought. In any case where a suit is brought as provided for in this section then the performance of the work may be suspended at the election of either the city or the contractors until such suit shall be finally determined in the court of original jurisdiction or any appellate court to which the same may be taken by appeal or writ of error; provided, that any appeal or writ of error shall be perfected within thirty days from the adjournment of the terms of court or original jurisdiction at which final judgment was rendered in such suit, and provided, that no appeal or writ of error to review the judgment of such court, may thereafter be taken or sued out by either party.

When such sidewalk is ordered to be constructed, reconstructed or repaired in front of the property of one owner subject to the terms hereof the cost of such sidewalk shall be assessed against the property and the owner thereof. Where sidewalks are ordered to be constructed, reconstructed or repaired in front of the property of more than one owner or in front of more than one lot along any street, avenue, public place, alley or square, or part or portion thereof, the costs of construction, reconstruction or repair of the said sidewalk in front of the property of each owner shall be assessed against such owner and his property separate and a separate liability against such owner declared. tion, reconstruction, or repairing of such sidewalk, or as to any liability therefor, or as to any irregularity or invalidity of the proceedings in regard to the construction, reconstruction, or repair of such sidewalks, or any other objection thereto. Such objection shall be filed in writing, stating the nature thereof, and full opportunity shall be given to the person or corporation filing the same to produce evidence, subpoena witnesses and to appear in person or by attorney, and a full and fair hearing thereof shall be given by the board, which hearing may be adjourned from time to time without further notice. The board shall have power to inquire into and determine all facts necessary to the adjudication of the said objection and the ascertainment of such special benefits to the owners by reason of the construction, reconstruction, or repairing of such sidewalks, and shall make such order in each case as may be just and proper. Any objection to the regularity of the proceedings with reference to the construction, reconstruction, or repairing of such sidewalks or to the validity of any assessment or the determining of liability against such property or its owner shall be deemed waived, unless presented at the time and in the manner herein specified. When the hearing above mentioned has been concluded the board shall, by ordinance, assess against the owner or owners of the property and against their property abutting upon the sidewalk so constructed, reconstructed, or repaired the cost of constructing, reconstructing, or repairing such sidewalks in front of or along the property of each owner, and declare a personal liability against such owner or owners thereof. termined upon such hearing that the property of any owner is not benefited in enhanced value by such construction, reconstruction, or repair of such sidewalk, then no assessment shall be made against the property of such owner; but if after such hearing it shall be determined by such board that such property has been benefited in enhanced value in any amount less than the cost of the construction, reconstruction, or repairing thereof, then the board shall assess against the said owner and his property only such amount as shall equal the benefit received by such owner and his property. The ordinance making the said assessment shall fix a lien upon the property of each owner or owners and declare the owner or owners thereof to be personally liable for the respective amounts which may be against them assessed, and shall state the time at which the said assessment shall be paid, which shall not be longer than sixty days from the date of making the same. Such assessment shall bear interest from the date of making the same until paid at a rate not to exceed eight per cent per annum. The amount assessed under the terms hereof against any property or the property owner thereof shall be secured by a lien upon such property and shall constitute a personal liability against the owner or owners thereof in favor of the City of Collinsville and the said liability and lien may be enforced either by suit in any court of competent jurisdiction or by sale of such property of such owner or owners in the manner provided in this charter for the sale of property for other taxes.
